**Greg's job**

Greg is 23 years old and he has got a job in his local town. He works five days every week but he hasn't got a typical routine. He does things at different times because of his job. Greg goes to bed at ten o'clock, but not in the evening – in the morning. He sleeps all day and he gets up at about six o'clock in the evening. He has breakfast at the time that some people have dinner and then he goes swimming for one hour. He comes home and has a shower and then he goes out with his friends at half past eight. They often go to the cinema together. After that his friends go to bed but Greg goes to his job. It starts at midnight and finishes at eight o'clock. Greg works as a DJ in an all-night disco. He chooses the CDs and plays the music. People always ask for their favourite songs. Greg loves his job but he often wants to live a normal life.
